PRESS RELEASE

Evening Class offered for Fire Alarms I & II – NICET Prep

January 27, 2009 – After receiving many requests for an evening or weekend training session, Lisa Salzman, Chief Information Officer, Fire Tech Productions, Inc. announces an evening NICET Prep course for Fire Alarms. “Many of our clients are on the job site during standard business hours. We strive to provide courses and schedules that are convenient to our customer base.” said Salzman.

The evening session for the Fire Alarms I & II Webinar series will be conducted on March 24, 31, April 7, and 14 from 6PM – 8PM EST. Anyone interested can email info@firetech.com or call the number above.

The Fire Alarm I & II Webinar series offers 8 hours of instruction from an Industry expert, 90 day, 24x7 access to online elements featuring over 400 sample questions, a Fire Alarm Basics Reference Text, and a Scientific Calculator. NFPA code books are available at an additional charge.
