

NARA Opportunities with IAP World Services Inc.

Join an exciting Team with a proud history of Government Service. Put your skills, experience, and education to work at IAP World Services Inc. (IAP). We are currently building our team of personnel in a proposal effort to support the National Archives and Records Administration (NARA) facilities at Archives I in downtown Washington, DC and Archives II in College Park, MD.

We apply industry best practices to provide total mission support & Consolidated Facilities Maintenance Support Services at vital Federal Agency facilities.

IAP is currently accepting resumes for proposed positions at the greater DC area NARA Archives I and II locations for a Fire Alarm Technician

Applicants must have five years experienced in the inspection, testing, and maintenance of fire alarm systems; Have at least a Top Secret Security Clearance; Have at least NICET Level 2 AND one or more of the following:

- 1) Personnel who are factory trained and certified for fire alarm system service of the specific type and brand of system;
- 2) Personnel who are certified by a nationally recognized fire alarm certification organization acceptable to the authority having jurisdiction;
- 3) Personnel who are registered, licensed, or certified by a state or local authority;
- 4) Personnel who are employed and qualified by an organization listed by a nationally recognized testing laboratory for the servicing of fire alarm systems.

We offer competitive salaries, comprehensive benefits, and excellent growth opportunities. Interested individuals please apply online at: www.iapws.com/careers
