Fire Protection

Automatic Sprinkler & Standpipe Systems (NFPA 13, 13D, 13R, 14, 25 Review)	WI, FL				6
Basic Math	WI, FL				2
Basic Sprinkler Spacing	WI, FL				1.5
Fire Alarm and Detection Equipment (NFPA 72 Review)	LA, FL				6
Fire Extinguishers	FL				3
Fire Pumps (NFPA 20 Review)	WI, FL				5
Fire Alarm Plans and Specifications	WI, FL				2

Above Courses can be offered in combination with a webinar for additional credit, please call if interested

***CPD credits:**

CPD listings are estimates based on calculations and previous students time. You should use the amount of time you spend in the course for your CPD credit. Transcripts listing time spent in course are available.

Please see NICET's policy regarding CPD credit - Not all certificants can claim CPD for each of the courses. In addition, individuals seeking certification at Level I are not eligible for CPD points, as they are not certified with NICET and have no need to earn/receive CPD points.

CPD credit courses can be purchased individually, in pre-determined packages or in our You Pick 10 customized package.
