### JOB OBJECTIVE

To obtain a position where I can apply my technical knowledge and management experience to make a significant contribution to an organization. Furthermore, allowing the opportunity to establish myself with a rewarding career as well as allowing myself the opportunity to pursue my education.

### EXPERIENCE

2005-2007 United States Navy / USS Bataan Norfolk, VA

#### **Work Center Supervisor**

- Planned and supervised 26 personnel performing maintenance of installed and portable fire protection systems, air quality testing equipment, and SCOTT SCBA life support equipment.
- Established a shipboard firefighting class and instructed over 500 sailors on firefighting tactics and Damage Control procedures, and practical applications of fire fighting equipment.

2003-2005 United States Navy / USS Bataan Norfolk, VA

#### **Maintenance Person**

- Performed organizational and intermediate level maintenance of installed and portable fire protection systems, air quality testing equipment, and SCOTT SCBA life support equipment.
- Operated and maintained installed fire fighting systems: Halon 1301, AFFF, APC, and saltwater fixed-flooding systems, as well as portable CO2, PKP, and AFFF extinguishers.

2002-2003 Sears Springfield, OH

#### **Lawn and Garden Sales Representative**

- Trained specialist in a wide variety of lawn and garden equipment from hand tools to riding lawn mowers.
- Trained and presented maintenance plan options as well as equipment and equipment capabilities to potential/ existing customers.
- Extensive customer service experience

1999-2003 Travis Yost Springfield, OH

#### **Maintenance Technician/ Handyman**

- Performed routine preventive maintenance to ensure that machines continue to run smoothly, building systems operate efficiently, and the physical condition of buildings does not deteriorate.
- Installation to include: drywall, flooring, framing, windows, plumbing, and household appliances.
